„GASTEINER ALMERWACHEN“

Long-distance hiking satisfies the longing to make new discoveries. Get to know the Gastein Trail and find what you are looking for. The rustic Biberalm and the Heinreichalm offer regional delicacies along the way and a special overnight accommodation directly on the mountain. On the first stages of the trail, you will walk in the footsteps of the muleteers and discover the highest grassy mountains in Europe. In addition, the Drei-Waller chapel, secluded kettle landscapes and idyllic forest paths await you at 1,421 m.
