The REGINA Hotel | Café | Bar | Restaurant
A building from the beginning of the last century that has been transported into the modern era with feeling and style. More stubborn than its neighbors, Contemporary next to design classics, Grandezza next to New Objectivity with a pinch of Italian lifestyle.

"Here, skiing vacations suddenly become cosmopolitan and metropolitan," writes a major German daily newspaper about the REGINA Hotel.

Condé Nast Traveler, Vogue, GQ & Monocle also write about it. The magazine "Geo Saison" has again chosen the REGINA as one of the ten most beautiful hotels in the Alps. Located in the center of Bad Gastein, with a magnificent view, urban

chic, cinema, library, fireplace room as well as a small but fine spa. The café & bar invite you to linger. In the à la carte restaurant of the REGINA, international cuisine meets regional products every evening, refined and unpretentious at the same time. A hotel like there is probably no other in the mountains.

In the "little store" you can buy regional delicacies. Parking spaces directly at house. Bike garage and ski room available.
